

## North Hampton Heritage Commission Minutes

June 29, 2000

The meeting was opened by Jenifer Landman, Chair, at 11 am. Present were: Priscilla Leavitt, Barbara Hobby, Jane Palmer, Anna Pike, Robert Southworth and Pamela Schwotzer.

Jenifer passed out the agenda, and discussion proceeded as follows:

SB 401 passed, with \$3 million available in the 1st year for grants for fixing up historical properties, archeological sites, structures housing cultural events, etc.

The Selectmen have approved the reappointment of Priscilla and Anna.

Jan Mellian's resignation accepted by the Selectmen. She'll remain as Chair of Little Boar's Head Heritage Commission and continue to work on the LBH walking tour. Robert Southworth also offered walking tour information on LBH, if needed.

Jenifer passed the North Hill folder to Priscilla, who is doing the work.

We discussed candidates to fill the Commission vacancy. It was agreed to approach 1) Howard Smith; 2) Wayne Elliot; 3) Jane Meneghin; 4) Tom McManus; 5) Suzanne Gould. We hope to vote on the new candidate at the next meeting. (Jane Palmer left at this point for a previous engagement.)

The Old Home Day Walking Tour brochure was discussed. Some copies were given to Bob Southworth. Others will be left at the Library to hand out.

A motion was made and seconded not to charge for the map/brochure of the walking tour. Passed 5/0. Discussion followed of various possibilities for funding, including Citizens' Bank. Jenifer will develop a list of other businesses for approval, as acceptable sponsors, before approaching them.

Jenifer will submit information on the walking tour(s) to the NH Guidebook put out by the NH Dept. of Resources and Economic Development for free listing.

The deadline for LBH information to be in is August 31, per our grant target dates. Anna will call Jan Mellian to see if we can get it by the next meeting.

Expenses were discussed: Susannah Clarke will do the computer work and design for the color brochure at no cost per Janice Mellian, bringing down the cost of the Alliance Humanist. A quote from PIP showed that full-color brochures on plain cream paper were less expensive, and it was voted to go with the full-color brochures, in a quantity of 2500, as given. Other quotes from Kinko's, Mike Kelly and Allegra will be considered. Priscilla

will check with the Historical Society to see if this is ok with them. LBH must also approve.

The meeting was adjourned at 12 noon.

Respectfully submitted,  
Pamela Schwotzer
